

House rules

Be kind to each other

Treat each other with respect and discuss nuisance. Violence, intimidation and/or threats are not allowed.

Put your own things in the storage room

Do not place any waste, bicycles and/or furniture in the porch, stairwell, elevator or storage corridor.

Clean up dog poop

If a pet does its business in the elevator, a common area, against the facade or in front of the entrance, clean it up immediately.

Know who's coming in

Never let strangers in without asking what they are doing there.

No loud noises

Don't make noise between 10pm and 8am. Tell your neighbours if you ever have a party.

Don't feed birds

Do not feed bread or food scraps to birds. Bread and food scraps attract vermin.

Waste in the container

Throw your waste in the container. Old paper belongs in the paper container. Do not leave any waste in the hall or on the street.

No smoking in the building

Smoking is permitted in your own home, but not in the rest of the building.

Keep the living environment clean

An accident can always happen, for example a leaking garbage bag. Do you see this? Clean it up.

Don't throw anything from the balcony

Never throw rubbish, cigarette butts or breads from balconies and windows.
